

SPRAY CHALK

TEMPORARY DECORATIVE CHALK

USAGE GUIDE

CREATE:

Temporary art, games, obstacle courses, special occasion markings, sports fields, proposals and more!

USE:

For outdoor use and temporary markings. Use on Concrete, Grass, Asphalt, Snow, Sand, Pavers, Vinyl Siding & Glass; Not recommended for use on freshly sealed asphalt or wood surfaces. Never use on clothing.

COVERAGE:

Sprays up to 80 linear feet.

APPLICATION:

Shake well before use. Hold can 4-10" from surface. If spraying towards the ground hold can at a 45° angle.

CLEANING:

If tip clogs, run under warm water to clean.

COLORS:

Pink, Blue, Yellow & White; formulated with washable non-toxic colorants.

REMOVAL:

Temporary color fades to white naturally in 7 days*, washes away with water. Rinse surface with water pressure from a garden hose. Light brushing may be required on porous surfaces. Long term contact or extended exposure to sunlight may result in left over residue on surface. Spray off within 24 hours to avoid potential discoloration. If residue remains, use household cleaner such as Krud Kutter to remove.
